REINVENT NEW CONCEPT OF KEGGED BEER
Traditional kegs are heavy, bulky, and difficult to handle. Brewjet's Black Technology kegs are lightweight, compact, and easy to use. They are also designed to keep beer fresh for longer periods of time.

CONSTANT VARIABLE ENERGY SYSTEM
Traditional kegs require a constant flow of energy to keep beer fresh. Brewjet's Black Technology kegs use a constant variable energy system to keep beer fresh for longer periods of time.
